

Getting Started with Quicken® 2007-2008 for Windows®

Once set up, you can download Iowa State Savings Bank Account information into your Quicken® program whenever you wish, such as daily or when your statement is ready:

1. Log into your Iowa State Savings Bank @nytime Internet Banking Account.
2. From the Accounts Tab on the left, select History: (Accounts>History)
3. Select Download
4. Choose:
 - an account
 - dates desired (such as the dates of your last statement)
 - Select the Format (most users will select Web-connect Quicken®)
5. Follow the Quicken Wizards.

Refer to this guide for instructions about using Quicken's online account services to save time and automatically keep your records up to date.

Before you can download your transactions with Quicken, you need Internet access, your customer ID, and your password. Your Iowa State Savings Bank Free @nytime Internet Banking User Name and Password will be your Quicken User Name and Password. To complete Quicken account setup, you need to log into the Iowa State Savings Bank Web site: www.issbank.com If you have not yet signed up for Iowa State Savings Bank Free @nytime Internet Banking, register using the "sign up" button, located at the bottom-right section of our web site.

This guide includes the following sections:

- [Downloading the Latest Quicken Update](#)—Describes the steps to download free product updates as they become available for your version of Quicken.
- [Creating a New Quicken Account](#)—Explains how to use Express Setup to create a new Quicken account and download transactions.
- [Keeping your Quicken Accounts up to Date](#)—Explains how to download transactions on an ongoing basis.
- [Automating your Web Connect Downloads \(optional\)](#)—Explains how to activate the One Step Update feature.

For step-by-step help with an online task help in your Quicken program, choose **Help** menu → **Quicken Help**. In the Type in the word(s) to search for: prompt, enter **Download Transactions**.

Note to former QIF import users: Web Connect offers superior download capability. You will enjoy an easier and more accurate download, without having to import and find your file, worry about duplicates, or even manually launch Quicken! You can convert your existing Quicken account to download via Web Connect. If your financial institution offers multiple download options on the Web site, make sure to select .QFX Web Connect. Do not select the older .QIF file format.

DOWNLOADING THE LATEST QUICKEN UPDATE

1. Click the **Update** icon on the Quicken toolbar.
2. Uncheck all boxes, and click **Update Now** in the One Step Update Settings dialog.
3. If an update is available, then Quicken provides a description of the update and brief instructions for downloading the update.
4. When the update completes, restart Quicken.

CREATING A NEW QUICKEN ACCOUNT

1. Open a Web browser and log into your financial institution's Web site: www.issbank.com Follow the instructions provided to download your account information into Quicken. **(See steps on the left-hand side of page one of these instructions.)** When you click **Download to Quicken**, your browser may prompt you to open or save files. If this prompt appears, click **Open** and follow the on-screen instructions.
2. To set up a new account in Quicken, click **Create a new Quicken account**, and type a name for this account. Click **Continue**.

To select an account that you have been using to manually enter transactions, click **Use an existing Quicken account**, and then select the existing account from the drop-down list. Click **Continue**.

Quicken 2007 Premier - 2007 - [Quicken Home]

You are downloading transactions for the following account:

- Financial Institution : Web Connect
- Account type : Checking
- Account number : TESTIMR2

If you have set up an account in Quicken to track this account, choose "Use an existing Quicken account" and then select it from the list. Otherwise, choose "Create a new Quicken account" and Quicken will add one for you.

Use an existing Quicken account:
